

Jonard Tools' Cable Comb™ Cable Organizing Tool substantially reduces the amount of time it takes to straighten, organize, and lash multiple cables together with ease. The Cable Comb also features the following:

- Compatible with any cables or wires up to 1/4" (6.35 mm) in diameter, such as: Coaxial (not RG6 Quad), Plenum, Control, CAT5/5E/6 Network, Speaker, and Alarm Cables and Wires
- Unique design allows individual cables to be loaded into the orange inner hub at any point during use without the need to find and thread the cable ends
- Cables can also be removed at any point during use by sliding the blue outer collar back and removing them through the large opening of the collar
- Made from a naturally slick nylon material, Zytel, which reduces friction and unnecessary wear on the cables being combed
- Built-in finger grooves make it smooth and comfortable to pull through cables without needing to worry about the orientation of the tool

SPECIFICATIONS	
MAX CABLE SIZE	1/4" (6.35 mm)
# OF SLOTS	15
MATERIAL	Nylon, Zytel
DIAMETER	4.90" (124.5 mm)
WEIGHT	0.328 lb (148.7 g)
UPC #	810053350225
